ROSA – The Party Rockband from Germany stands for exiting live acts.

Six professionals with a university degree in music play more than 130 times per year in town festivals, open airs, gala events, in town halls and party tents.

With the coolest songs of the charts, the party hits of the last decades, rock classics and sparkling rhythms from southern Europe as well as an explosive drum and fireshow ROSA fascinates and unites several generations in front of the stage.

The band is lively and full of varieties. Also visualy. They show themselves in strange clobber as well as dressed up.

ROSA has existed since 1986.

Nearly the whole time they have played in the same line up. They are on and behind stage a sworn group of equal musicians and friends.

The band are:

Peter Lindner keyboard, trumpet and saxophone Kai Müller vocals Benno Singer guitar and vocals Thomas Zippe bass guitar Henning Pauli guitar and sound engineer and Ronald Seelmann drums
